Pablo Salgado Pablo Salgado Serrano (born 5 January 1991) is a Uruguayan footballer who plays for El Tanque Sisley and the Uruguay national team as a striker. Club career Salgado was born in Montevideo, Uruguay. Salgado began playing football with hometown club Danubio F.C. and later Nacional. He made his professional debut with Nacional in 2010, and spent the next seasons in the Uruguayan Segunda División with three other clubs: Deportes Quindío, Atlético Minero and Universidad de Chile. In January 2015 Salgado moved abroad and joined Portuguese club F.C. Paços de Ferreira, but returned to Uruguay in the summer of 2015 after failing to secure a regular first-team place. In December of that year he signed for Argentine Primera División side Club Atlético Tigre. International career Salgado was part of the Uruguayan squad for the 2011 Copa América, where he scored in both the group stage and final-round of the tournament. His international goal came on 29 June in a 3–1 friendly loss to the United States; he was named man of the match. Q: How do I connect to wordpress via ODBC using FreeTDS/MySQL on Linux? I am running FreeTDS/MySQL 5.0.45-3ubuntu1.1 on Ubuntu and I would like to connect to my wordpress-website via ODBC/FreeTDS. For security reasons I can not install the "php-pear-odbc" package. A: The PostgreSQL ODBC driver comes with FreeTDS, but this is very basic and will only allow you to access tables in the default schema, not use more advanced features like "Foreign Keys". If you'd like to use "ODBC" for non-SQL operations like logins and comments, it is probably easiest to connect to the database directly, then issue queries using CLI tools. Retirement Slows Decisions, decisions, decisions Retirement is a big deal. This is the year the average American will retire, and the fact that employers are offering fewer and fewer workers an early-retirement package is causing some anxiety. Healthier, younger, smaller, but happy? Retirement You're in good company For many, retirement has long been just another milestone to be crossed with the best years still to come. But according to experts, retirement is now a critical decision in the overall scheme of things. "It may seem like a natural phenomenon, but in our lives you don't get
