"A large-scale fantasy action role-playing game is a grand setting, and a well-designed one can last a lifetime. It's my hope that this game will be able to appeal not only to the fantasy role-playing game fans but also to those with a love of classic action games. We will be providing ample opportunities to adventure and enjoy new stories. Please look forward to coming across many other players!" ■ **Story** The land where the Twilight leaves behind a trail of destruction and chaos. After an endless winter, the world once again awakens, and a new saga begins to unfold. In this world, heroes fight and an unlikely hero meets a strong heroine in an adventure that will test their strengths. ■ **Characters** You can create your own character and can freely combine weapons, armor, and magic. The new gear system will help the development of each character at their individual levels. □ **Unique Arms and Magic Weapons** The weapons and armor system is packed with weapons that have never been seen in any other RPGs. □ **Weapons** made from rare materials Crafted from three different sets of materials, each piece has its own unique properties. □ **Three sorts of Power** Three types of magic can be used in battle: Spirit, Soul, and Body. Learn your combat style while equipping your character by leveling your magic skills. ■ **Features** □ **A Grand Setting with Realistic Scenarios** In the world, you will be experiencing exciting and heartwarming stories, and will be able to explore a vast world that is as exciting as it is beautiful. □ **A Reversal of the Hero's Destiny** You have the power to determine the character's future. Will you take up the hero's role or just live in peace? □ **The Hero's Role Reversed** In contrast to the past, you will be playing the role of a bandit instead of a hero. ■ **About MAJOR OSR** In the world of fantasy role-playing games, the design of characters and the enhancement of items are the most dominant. However, many great RPGs over the past twenty years have been created with a grand setting, including Spellborn, the Eric series, Baldur's Gate, and Shadowrun. Most of these games were able to run for a long time because of the developers' strong sense of design and the creativity of the game.

Features Key:

Please note that there may be cases where the below feature descriptions are still incomplete. Please verify the details by checking the content of the game more closely.

Basic Play Features

- Play as one of 9 classes, including Warrior, Mage, and Rogue. You can find a variety of combat styles and modes to experience extensive open fields and huge dungeons. Command your allies with commanding skills. Create an army as powerful as yours with Elden Machines. Equip a variety of weapons, armor, and magic items with strategic combinations that fit the combat type you favor to gain an edge.

Convenient Battle Features

- Complete the initial episode without actually playing the game. Playing the story consists of exploring the various world settings, advancing the story, and acting out the drama. Collect items and acquire new skills for the campaign mode, or create your own army in the single player mode.
- Replay battles just as they happened using a replay feature that preserves the details of the initial battle conditions. Experience the unforgettable drama that unfolds when you wage war on a player. Use the restore feature to replay battles with different characteristics from the main story.

Diversity of Online Play

- Experience asynchronous online play based on a free turn policy. Take on opponents as well as your friends! Enjoy access to your ally's weapons and gold and use the wisdom of your allies to create powerful armies. Connect and play with other players even as you travel.
- Change your class and create your own army based on your play style. You can freely combine the weapons, armor, and magic that you equip. As you develop your character, you can exchange weapons to increase your muscle strength, or master the proficiency of magic, but your choices leave a permanent mark on your character.

Fantasy-Inspired Online Game

- Play fantasy action combat RPG where the story line and gameplay follow a fantasy world that has not yet been materialized. Check the "Fantasy Thoughts" on the information screen to learn the story about the world

What's new:

The Elden Ring includes an action RPG where you can enjoy the Mythic Fantasy of the Lands Between in the same taste as the most popular ARPGs, such as "Sekaiju no Rage", "Rise of Immortals," and "Makai na Hentai."

// Features

- ☐ **An Extraordinary Depth that Makes Up for All Experience Levels** As the most advanced Final Fantasy Tactics game, Elden Ring pits all of its past experience and expertise you can't find in other ARPGs into one formidable title.
- ☐ **A Vast World Full of Excitement** As the most impressive tactics game available, Elden Ring transports you to a vast world with various battlefields and battles. While you explore and wander around, you'll encounter huge monsters and dungeons that are full of high-octane drama.
- ☐ **Exclusive Cinematic Battles** Set in a story full of drama and excitement, this classic battle system will never cease to please you.
- ☐ **Easy, Challenging Battles You Can Master from the Beginning** While a tactical game, you start with a limited range of usable skills. Elden Ring is easy to learn, and the game starts off with your use of basic attacks. As you unlock more advanced skills, the battle automatically becomes harder, and you can expand your range and scope in a relatively short time.
- ☐ **Phenomenal Graphics with High-Quality Sound** The graphics are stunning and the battlefields are three-dimensional. Colorful monsters will never run out of excitement.
- ☐ **Create Your Own Character** Your character will level up according to your choices and specializations. As long as you develop your character by learning skills, enhancing and equipping items, and appropriately level up according to the situation, a character that will surpass your expectations will be created.
- ☐ **An Epic Drama Born from a Myth** Elden Ring is brimming with an easygoing and slow-paced story. It unfolds in a way that has never been seen before in a Final Fantasy Tactics game. Its various battles and interactions are wrapped around a vast story full of drama and thrill.
- ☐ **Epic Multiplayer Battles that Loosely Connects You**
