

---

One of the most popular games on the market, Rise of Tarnish brings the rich fantasy world of the Elden Ring to Steam for the first time. Enjoy hours of gameplay with an easy-to-learn system and streamlined UI. This is a fantasy game in the style of Final Fantasy on a massive scale. Players can create their own characters and develop them as they progress. In addition to familiar types of enemies and quests, you will also be able to experience elements of action, strategy, and even bullet-hell. If you enjoy tactical RPGs, the action RPG genre, and the world of Elden Ring, Rise of Tarnish is a perfect fit for your tastes. AVAILABLE FEATURES: • Asynchronous Online Multiplayer • Unique Character Creation Options • Asynchronous Online Play • A Battle System That Let's You Rival Players • A Localized and Optimized UI for a Strong and Comfortable Game Experience • Clean but Simple Main Menu • Vast World with a Variety of Environments • Three Different Game Modes • An Original Soundtrack by the Composer of Final Fantasy Tactics and the Bravelly series • High Resolution and Stunning Graphics • Minimalistic UI • An Original Soundtrack by the Composer of Final Fantasy Tactics and the Bravelly series The Elden Ring is a fantasy-themed action RPG set in the Lands Between, a world of no boundaries and no rules, where the main character has the ability to resurrect enemies. Players take on the role of Tarnished, a mage who will use their magic to journey through the Lands Between. In addition to open-ended battles, the game incorporates elements of action, strategy, and bullet-hell. Throughout your journey, you will come to understand the hidden meaning behind the game's events, and encounter various challenges to test your resolve. Battlefields, the spot where you will meet enemies and combat them, are divided into three different environments, each with its own charm. A field filled with snow and cold, a scorched desert, and a forest where the temperature is milder. These locations, as well as dungeons with different layouts, allows you to experience new gameplay with each battle. One dungeon might have you battling high-level monsters, while another could have you fighting weaker ones. In addition to enemies, players will also be able to fight against monsters, traps, and traps. Different enemies, traps, and monsters have different rules and techniques.

### Features Key:

- An unparalleled RPG experience.
- An epic narrative, born from a myth.
- An experience that allows you to form your own opinion of the story.
- Various social interactions, such as polls and guild recruitment.
- A large-scale, persistent multi-battle environment.
- A massive world filled with unique dungeons, including randomly generated dungeons that are unified through the use of procedurally mapped dungeons where monsters are generated by four threads.
- Unprecedented PvP content with dynamic matches that will give you countless skill-boosting opportunities.

### Unique Online Battle Mechanics:

Epic battles. Using both your action and skill, it's time to go head-to-head with your opponent in a dynamic, large-scale battle that will maximize the excitement.

In a New Kingdom, the very survival of your character strongly depends on the strength of the team you make with other players. Even if you place in dead last, you can still receive one-on-one support from your guildmates, and the magic of the fight will coolly be transformed into a show of strength. When you're in a clan with a number of strong guild members, the combat will be more fun.

The player unit is equipped with two weapons (offensive or defensive), a shield, and two magic. There are three types of weapons to choose from when playing PvP, meaning that there are multiple ways to create a unique strategy. On the ground, attacks will no longer be limited to only basic attacks in New Kingdom, which will provide a completely new gameplay experience. In addition, the speed of movement and attack will also be enhanced.

You can freely pick up items that will enhance your skills from NPC vendors, and it's also possible to interact with other players in the ways listed below. The stats of all items will be obtained from the items your character drops when you lose a battle, and there will be plenty of items to choose from in the item box.

### How do you win a Battle?

- Winning Conditions
- Victory Conditions
- Damage to

----- IGN's Review (PS2) -- 8.1 (Out of 10) 'The world is tremendously varied in appearance, and this creates a great deal of variety when you go from level to level. Aside from its rather clumsy beginning, the game does a good job of proving itself over time. The story is not particularly captivating to begin with, but it does a good job of developing characters and outlining the world's history.' ----- IGN's Review (PS2) -- 7.5 (Out of 10) 'This is a fun game that caters to a niche market. Although it doesn't contain as many RPG elements as you would think, it does its job in forcing the player to explore new parts of the world and level up. In addition to its reasonably complex character development system, the game also comes with a wide range of challenges. There is no shortage of enemies and stages to defeat, which keeps you busy for a good while.' ----- IGN's Review (PS2) -- 8.0 (Out of 10) 'In addition to its unique locales and the variety of gameplay, there are a few interesting gameplay aspects. You can use several weapons and utilize several magic spells, which are a definite differentiator from most games in the genre. Likewise, you can use a shield or a mount to fend off enemies, which is a nice innovation. The main drawback to the combat mechanics is that it gets a bit too easy if you let it. You'll find yourself easily fending off most enemies before you even hit them, which doesn't necessarily make for a challenging experience.' ----- GamelInformer's Review (PS2) -- 7.4 (Out of 10) 'There is a great deal of variety between levels. While some of these levels do feel a bit claustrophobic, they aren't as much of a drag as you'd think. In fact, you'll find that the design of the level stages has a lot of potential. Some stages may feel a bit too simplistic when it comes to the environment, but that's not the case in all areas. A few of the game's puzzles were a bit difficult, but it wasn't bff6bb2d33
