*9 characters (Junko, Kaori, Jun, Kaya, Kaoru, Jun 2nd, Junko 2nd, Kaya 2nd) *1 character (Kazuki) *1 character (Kunai) *1 character (Kyo) All characters' default skin may be copied to the default. May be installed along with GoonyaFighter of other cosmetic items. For details, please refer to the contents of the GoonyaFighter. Changes to Team Battle

----- When you change the formation of your characters in Team Battle, the Team Battle icon (available in the information screen) will change to a "+" sign on the character you have selected. And the icons will be moved around on the screen (excluding the Global Notice). Adjustments made by each characters will be indicated on the screen. Moreover, the characters are operated in the order of formation. For example, if Kazuki is selected as the pilot, the order of operation will be from 1st to 9th. Press "CP" in order to select the order of the characters. 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th Notes: 1. The characters will operate one by one depending on the order of the character formation. 2. The characters do not perform operations at the same time. Game Features -----
