[Download Setup + Crack](#)

You and your party of Pathfinder Roleplaying Game characters have saved the last of Brevoy from the monsters that plague the territory. Now, you must chase down the rogue nobles and their corrupt henchmen to lay the groundwork for a new era of law and order. In the meantime,

you must survive the ruthless wilderness as well as the more ferocious creatures that prowl the inhospitable realm. Redemption of Lost Lands in the Stolen Lands is the first Adventure Path of the Kingmaker Series of Pathfinder Adventure Paths. It features the Pathfinder RPG super system, and for those of you who used the d20 System, this module will function exactly like a d20-based Adventure Path for the Pathfinder RPG. It also includes a few optional rules to let you run this module in any fantasy world, whether it uses the Pathfinder RPG or not. File size: 580 KB Contents =====

===== Introduction
===== Redemption of Lost Lands in the Stolen Lands is the first Adventure Path of the Kingmaker Series of Pathfinder Adventure Paths. It features the Pathfinder RPG super system, and for those of you who used the d20 System, this module will function exactly like a d20-based Adventure Path for the Pathfinder RPG. It also includes a few optional rules to let

you run this module in any fantasy world, whether it uses the Pathfinder RPG or not. If you want to buy the Pathfinder Roleplaying Game, you can still buy the Starter Kit. If you want to buy the books by themselves, you can find them here: Starter Kit Pathfinder Roleplaying Game Pathfinder Adventure Path Volume I: Redemption of Lost Lands Pathfinder Adventure Path Volume II: The Crashing Sky Pathfinder Adventure Path Volume III: Heroes and Monsters The Character Creation chapter will be in the book that goes with this Adventure Path. The book that goes with Redemption of Lost Lands will feature a character sheet that will help you create a character for the Stolen Lands. If you want to use the character sheet, it will be in the book that goes with this Adventure Path. The Route for Success

===== If you

Features Key:

Give a king a kingdom. This kobold dominion has been ruled by a kobold dynasty for generations, but the orcish hordes continue to grow. In response, the king has called upon you, a representative of the Varisian Alliance to train and equip his militia. You, more than any other, know the orcish threat and are in a position to help overcome this threat.

Enter this forgotten land and fight to reclaim it. The capital, Graymeadow, is a city of dark stone, built into a massive cliff face

overlooking a broad grassland valley. The valley is the ancient hub for the Great Treeís Grove, one of two sacred sites of the Varisian gods.

System Requirements/Pre-requisites

- Windows OS (2000, XP, Vista)
- Sublime Text IDE
- Python 3.6
- Pathfinder 1.11 (160MB download)

Setup Instructions

1. Extract the download and open the folder. Please make note of the folder location. Afterwards install Sublime Text.
2. Open Sublime Text.
3. Install the latest version of Python. Once you have installed Python, you must then install the text **python3** as this will work correctly with the tutorial.
4. Inside the zip file, there are two folders, one named **texts** and one named **gui**. Create an empty folder and extract the **gui** folder in it.
5. Open the folder **Pathfinder_1-1_2.vtg**. You are now ready to begin.
