In the new-look FIFA Ultimate Team, experience the thrill of being the captain of your favourite club from the jump and develop your new superstar players from Scouted Picks into a brilliant team that you'll play with for years to come. Ultimate Team brings the true feeling of managing a squad of real-life footballers from all over the world and allows you to train your team as if you were on the training ground. The Player Career mode also gives you the chance to take control of your favourite player and guide them through the game and into FUT Champions. New FIFA World Class Lighting - The recently announced FIFA World Class Lighting technology brings about a much brighter, more vivid and realistic looking soccer environment, with all kinds of new features and impressive lighting components: Near Future Stadium and National Stadium lit up under floodlights to reveal different shaded areas and improve field of view. Stadium lighting, numbers and scores are animated and updated in real time to allow for more dynamic and realistic visuals. Achievements can also be unlocked in-game, so you can add more credits and badges to your already massive FIFA collection. Optimised Movement with New Precision Dribbling - FIFA Soccer introduces a whole host of new features to help you move the ball and take on opposition defenders with greater control and consistency, including Optimal Dribbling, Off the Ball Movement (OTBM) and Trap and Kick. Now even more players have the ability to pick a pass, shoot, dribble and beat your man with greater accuracy and style, allowing you to take the ball in new ways and open up defensive gaps. New

OTBM and Trap and Kick combine to make it easier to close down the space on the ball and trap or intercept the ball, limiting a team's attacking options and keeping their defensive shape intact. Dribbling is more precise and the speed at which you move the ball can be controlled more easily. New Goal Kick Animation - Step up to become a better goal scorer with a new, streamlined, flowing animation for your free kicks, corners, and long-distance shots. Improvements to Player Interactions and Control - Under the new Physically Based Impact Engine, players are more responsive to the ball and take greater contact with opponents, providing a more realistic match day experience for fans watching on TV. Players also react more quickly to quick passes and dribbles, making it easier to perform dribbles and close down space on the ball. Players also react more realistically to

What's new in Fifa 22:

- **FIFA Ultimate Team, in addition to featuring a new 2018-19 season content, will also include new tournament modes. FIFA Ultimate Team also introduces "Tandem Sides," which lets you scrimmage against your twin on your team. You can choose to have your twins build up offense using your favorite player, or you can use them as backup to fill in for weaker players.**
- **New FIFA stars, including Jean-Pierre papin, Hernan Crespo and Eusebio; Miroslav Klose is returning as a legend, and David Ginola, Henrik Larsson, Nicolas Anelka and Zinedine Zidane are also coming back as legends.**
- **Introducing last-gasp substitutions. When down to ten men, the Manager or captain can now choose to bring on a sub with the last action remaining. This substitution will only be allowed in extra time if a player is injured, a red card expires, or a penalty box offence or a sending off offence is committed.**
- **FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. GAME MODES Career Mode - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways**

to progress, achieve, and immerse yourself in your Pro's journey through the game.
