"Rise up to become an Elden Lord." In the Lands Between, a vast world spanning across a continent, the power of the Elden Ring is changing. The time of the Elden Lord has come. A character that becomes an Elden Lord will be given the title of an Elden Lord. Rise up, Tarnished, and become a noble Lord in the Lands Between! ABOUT TARNISHED FANTASY OF MIDDLE GAME: "Your grace is granted by the power of the Elden Ring. It has been given to you by Mycroft." Once upon a time, there was a great king of the Elden lords in the lands between. His name was High Lord Mycroft. He was the best ruler in the lands between in the history of the Elden Ring, and he wielded a grand staff known as the Sword of the True Heroes. It is said that he worked relentlessly to protect the rich land of Ardent from those who wished to harm it. One day, the great High Lord Mycroft disappeared. What kind of evil was behind the disappearance of such a kind and benevolent High Lord? Amid this terrible mystery, a knight bearing the emblem of the Elden Ring appeared before the high lords of the lands between. The young man was enthralled by the Sword of the True Heroes, and the high lords greeted him as a savior. Let's go meet the new knight who was given the power of the Elden Ring! ABOUT RAIDEN WARS: "The three of us meet, and soon the skies will fall." When the wizard Ryun learns of the existence of the three Elden Lords, he immediately decides to take action and launch the "Raider War." It seems he has his sights set on the Elden Lords who control the lands between and intimidate the troops of Heaven and Earth. Ryun sends out his numerous djincogna warriors, and they have just begun their conquest of all that is in their path. Soon the skies will fall upon the lands between as the evil Ryun's hate takes hold of the storm. It's time to give you a taste of a variety of different situations. ABOUT HARDCORE FANTASY OF MIDDLE GAME: "There's still enough time to save the lands between." What will you do if you don't let the lands between fall into Ryun's hands? It's time to see how

PERFORMANCE Fixing the issue of performance on the Xbox One X. Last Updated: 1/5/2019 LARGE VERSION CLEANUP FIXING some graphical glitches and pop-up windows. Last Updated: 1/5/2019 DEDICATION I would like to dedicate this game to my good friends at Blitworks, they have been responsible for the development and production of all the games I have produced and published, that being all my games on Windows since Wolfenstein 3D and Skate Rider till now. It's been a fun journey! Help with determining and cleaning up cosmetic issues in the art assets by: "Need To Knock" and "GhostCat".The widebody Mustang GT350R has been officially revealed in the United States on March 7, 2019, by Ford, a result of a partnership with the tuner company Roush Performance, including the signature Roush Blue scheme. The widebody version is a complete redesign of the 5.0-liter V8 engine, and it has been fitted with a larger intake manifold, larger high-volume exhaust tips, and new 9.5:1 compression ratio pistons. The widebody was previously known as the Roush Performance mod, and it will reach buyers in late 2019 in both coupe and convertible versions. The widebody Shelby GT350 Roush Performance Mustang has a total of 220hp and 280 lb-ft of torque, while the coupe gets 22 more pound-feet of torque. A new exhaust system helps to ensure more power and more response from the 5.0-liter V8 engine, and there are additional twin electric valve actuation in the intake manifold. The 2018 coupe and convertible widebody GT350 Roush Performance included a five-way adjustable coilover suspension system, whereas the 2019 GT350R will come with adjustable dampers instead. The widebody GT350 includes a number of changes, including intake and exhaust components and the suspension. The front end received a new nose, which now has the traditional fastback design, while at the rear, there is an exhaust diffuser and a redesigned diffuser body panel. Aside from the different styling, the GT350 Roush Performance also has a number of different components and parts that are different from the 2018 model.
