What's new:

Send us a minute Jock? Exactly. I'm all for the new format. So am I; and right behind my show 50 Minuten you can watch either Sacha Baron Cohen's Bruno or the Australian comedy Mr. & Mrs. Smith. Basically, if it's funny, it's on our best episode of A Mindful Life. I've been a fan of your show for years, and when I read that you had started writing for TBS, I was over the moon! To say I am excited would be putting it mildly. I understand you consider yourself a "champion of all" jokesters and comedians. Could you tell me if, for someone of your stature, you have any celebrity friends who are also serial joke tellers? If you do, please just name one. Or if you don't, do you get the same feeling when yourself as when someone else tells a joke? Thank you in advance for responding to my question, Craig. It may never have a proper answer. I am willing to settle for, "No, I don't". Okay, do it again. Honorably. Do you want to come here and do something that you're proud of? Okay. I'm gonna kill you." - missy "Do you like your job? Nah! I know I'm not supposed to say that but that's pretty much what I'm thinking! How the heck do you complain about a job you hate? My life is fantastic!" Seems like a short, funny answer.
