It is a problem. I have one minute for you: Government's primary function is to protect us from each other. You have one second for me to list your first affirmative action program: Voluntarise the IRS. You have five days to respond: 1) The private sector created the problem. 2) If it's unconstitutional, it should be unconstitutional and that's it, shut your mouth. What's for dinner? . . . I have one day for you: We don't get to pick our politicians. We have to make the most compromised, lemming-type political choices we can. I have one month for you: A government is not the solution to our problem. It is a problem. I have one year for you: It's always a nice idea to try and "help" the poor, but no matter how much money you pour into their hands, they are going to be living in the \$5-a-day hand-to-mouth existence you so judge them for. . How Do You Draw a Mexican Flag? Most people don't know that the Mexican flag has had two different meanings. In 1912, an American admiral proposed the design of a Mexican flag,
