you have the latest version of the Adobe Digital Editions software and your reader. While they are sent for her to see. She becomes jealous of her gifts and vows that no one else shall be so gifted. Finally, the other sisters (or possibly cousins) on her mother's side tire of their for-now-bizarre-but-psychologically-healthy behavior and snap, starting to plot to kill Charlotte. The story opens up with two of them (Ethel and Mabel) discussing how coldhearted their sister had become.

They describe her as "a shivering skeleton," and claim she has been doing odd things. At the story's climax, they decide to murder Charlotte. However, the title is written in the end on the door of the parlor Charlotte was to be killed in. They begin to question it and then stop. The frame story tells the story of Charlotte's childhood. The girls write on the door of the parlor in which she was to be killed in the boarding school Charlotte attends keeps changing, and so does its name. Her first three teachers were known respectively as Mr. Friedewald, Mr. Glendon, and Professor Furst. Charlotte mostly got along fine with them, except with Professor Furst, whom she felt only wanted to hurt her. The reason they changed schools was that Mr. Glendon was letting his growing paranoia-laden homosexuality seep into the school. One day, he decides to murder Charlotte. He tries to stage it as an accident, but she escapes from him in the confusion and runs away to a new boarding school. The final chapter has three parts. The first, the "new theory of the story," follows Charlotte as a teenager. She is upset because she thinks her mother has abandoned her, when she is in fact it's

---

her father who has abandoned them and she just doesn't know it yet. She runs away from home, although eventually returns. In part two, the "principal events" chapter, she comes back home and finds that her mother has married her wealthy new friend Victor. In

AAP has 272 seats to Congress' 254.The five-year-old AAP has attracted more than 2.70 lakh volunteers for election duty, while the ruling BJP has around 1.8 lakh. The volunteer base of Congress, the oldest party in the country with 52 Lok Sabha members, is only about 60,000, as reported by The Indian Express on Tuesday.The big fight on Thursday will be between AAP and Congress in Haryana, where the party has lost its invincible aura. All-time top leader and Haryana chief minister Om Prakash Chautala is contesting from Hissar, which he has represented for the last 18 years.Reports said AAP's former state chief Ashutosh from Bhiwani-
