September 6, 2007 - SolidRocks tweaks and optimizes all necessary Vray settings for best results. Max 2013 to max2020 and V-Ray 2.4 to Vray NEXT Update 2.1. In this tutorial, we'll look at settings for various scenes using materials, lights, cameras, and renders. 1. Material setup To create scenes, I will use materials that are as close as possible in texture and color to real materials. I use wood, brick, glass and metal as an example. In this tutorial, I'll be using a tree model that I already have set up in 3ds Max and present in the tree model.
