An extensive feature set will help artists to organize and manage all of their art business activities, helping them to keep all their agendas organized. Visit: Learn More: Facebook: Twitter: The Rosette Ring ($10) is a thick, shiny, polished gold metal. The inside of the ring is quite plain, with a small setting for a tiny diamond in the center, a very thin layer of sapphire (or another blue-ish stone) on top, and a small gilt band across the top and bottom. The Rosette ring is a beautiful piece, much more than just a ring. This ring looks so good that it'll be a staple in your jewelry collection forever. Customize your own with a simple "Engrave It" kit. This is our standard model. If you want your custom Rosette Ring in platinum, you can order the "Rosette White Platinum" style ring (sold separately). It has a beautiful golden setting, which looks more like a gold-plated ring than the white gold-colored ring! If you want your custom Rosette Ring in rose gold, you can order the "Rosette Rose Gold" style ring (sold separately). It has a beautiful platinum setting, which looks more like a platinum-colored ring than the white gold-colored ring!
